

HUNTLEIGH

ENVIRONMENTAL POLICY STATEMENT

Huntleigh Healthcare is an environmentally conscious and responsible company, committed to the protection of the environment. To carry out this commitment, it is Huntleigh's policy to strive to ensure that all aspects of our operations have the least detrimental effect on the local and global environment, whilst producing quality products to our customer's needs, specification and satisfaction.

Huntleigh achieves this commitment by:

- Being fully aware of all relevant environmental legislation and other requirements to which we subscribe and ensuring that regulatory requirements are met.
- Integrating environmental management into our business and decision-making processes, regularly monitoring and auditing our environmental practices, and employing continual improvement measures;
- Designing, producing and distributing products in a safe and environmentally protective manner;
- Communicating our environmental requirements to Suppliers and Contractors and encouraging them to act in accordance with our environmental standards;
- Ensuring all employees understand and are responsible for incorporating environmental considerations into daily business activities;

In particular Huntleigh will continue to:

- Minimise waste by reduced consumption through the development of effective waste management and recycling procedures;
- Employ responsible energy management practices resulting in reduced consumption and the encouragement of energy efficiency throughout our operations;
- Avoid unnecessary use of hazardous materials and processes, and take all reasonable steps to prevent damage to either public or ecological health where such materials are in essential use
